### US Collaboration of Zones

- Last met on January 12, 2025 and will meet next April 13 at 6:00 pm EST Zoom ID: 449 253 6438

Vision and Mission:

The US Collaboration of Zones will provide a single point of contact for Narcotics Anonymous in the United States, thereby providing a standing national presence. A national presence enables numerous Public Relations opportunities:

- Working with national and federal agencies that are currently closed to NA in the US
- Providing a national website and other tools that can easily connect addicts and the public to local NA meetings, phone lines, and websites.
- Making available national PSA's that can help increase awareness of NA in the US
- Improving the quality and accuracy of meeting information across the US locally, and on [na.org](http://na.org)

Through communication and coordination, this collaboration will provide NA communities with support in public relations, fellowship development, training and mentoring, technology, and other needs that may arise. It will be a vehicle to fill service gaps and needs. The US Collaboration of Zones will complement, not replace, the existing service structure.
