

Dear Mr or Mrs,

This letter is to introduce you to the fellowship of Narcotics Anonymous and one of the services we feel might be of benefit to addicts in your facility. Narcotics Anonymous is a fellowship of men and women for whom drugs had become a major problem. By following the program of recovery offered in Narcotics Anonymous, our members have found a new way of life, living clean as responsible, productive members of society. Narcotics Anonymous is an international fellowship, with meetings in countless countries as well as this community. There are no dues or fees in Narcotics Anonymous.

The primary purpose of all Narcotics Anonymous groups is to help addicts stay drug free. One of the ways we do this introduction is through Hospital and Institution subcommittees. H and I subcommittees bring presentations of Narcotics Anonymous recovery to addicts who do not have full access to regular Narcotics Anonymous meetings. The Chicagoland Region HIPR Subcommittee would like to discuss with you the possibility of providing regular H & I services to your inmates/detainees in your facility.

We now offer a virtual presence meeting for our incarcerated members weekly. If you have a computer and maybe a big screen we can offer you this life saving, life changing opportunity.

We currently run this meeting every other Monday at 12:30pm to 1:30 PM CST .  
And alternating Tuesday and Wednesday at 5:15 to 6:30 PM CST.  
We currently have over 5 Prisons from Illinois attending along with other States such as Ohio, Colorado, Arizona Tennessee and Alaska.

We ask you to give us this opportunity to make this available to your institution.  
We have vetted this a safe and secure space for us to meet without all the interruptions that come along with in-person meetings..

In Loving Service,  
Chicagoland Region Public Relations Narcotics Anonymous
